Subject: Microsoft Settlement

With the deadline for comments approaching, I realized the now is the time to make my opinion known. I am a professional software developer and use Microsoft products daily, as I have for many years. I have become frustrated by Microsoft's declining quality and lack of alternate choices for software tools. Because of this I would like to register my opposition to the proposed settlement which I feel does too little to restore fair competition to the marketplace. Once again, I say no to the proposed settlement.

Thank you, Brent Pitts Tallahassee, FL
